PATENT

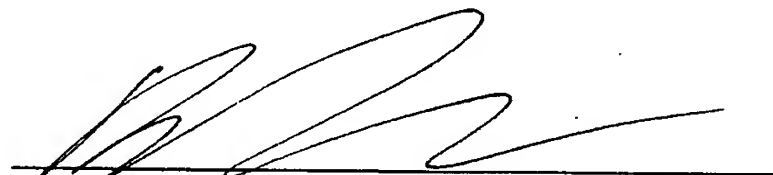

### REMARKS/ARGUMENTS

This communication is submitted to comply with the requirement for issuance of formal drawings. Even though the Notice of Allowability of December 31, 2003 indicates that the drawings as filed on December 26, 2001 are acceptable, Fig. 3 was too informal to be printed with an issued patent. The attached replacements sheets do not include amended drawings, but are, rather, replacement formal drawings.

The attached sheets of drawings, which include Figs. 1, 2 and 3, replace the original sheets including Figs. 1, 2 and 3.
